

# ECO-Forum at the 6<sup>th</sup> Environment for Europe Conference

**Victoria Elias,  
WWF Russia**

1

## ECO-Forum Implementation Report to the 6<sup>th</sup> EfE Ministerial Conference

- Analysis of the official process and Ministerial Declarations
- NGO discussion, conclusions, recommendations
- Main themes and summaries on the achievements
- Recommendations for the future
  - better implementation
  - commitment for continuation

WWF® for a living planet®

## ECO-Forum position for Belgrade-2007

- Raise EFE process effectiveness and demonstrate political will
- Return human values for sustainability to the EfE agenda and continue with ESD in EfE
- SPAC – a pan-European commitment

WWF® for a living planet®

## ECO-Forum position for Belgrade-2007

- Meet 2010 target on biodiversity
- Water on the agenda
- Energy efficiency and renewables
- Strengthen public participation

## What are the Belgrade-2007 outcomes?

***The process was not terminated here!***

***EfE Reform starts in 2008***

***A lot of interesting information, side events and exchange***

## Show will go on...

***BUT...***

- ***No specific thematic commitments***
- ***No decisions on the basis of the Belgrade assessment results***
- ***'Empty' Ministerial declaration***
- ***Domination and of some countries even from outside of the region***

for a living planet®

## What to do?

- Launch new binding and non-binding initiatives
- Implement, assess, measure
- Address the key issue basing on the SoE Report
- Partnerships

# How to sharpen the picture?

for a living planet®

- Commit at all levels
- Sufficient funding
- Partnerships with Stakeholders
- From words to action

*In a harmony with*  
*the environment in Europe*  
**Thank you**
