Dear Ms. Gabizon,

Dear Sascha

Thank you for your email dated 1 July 2010 and your colleagues' proactive engagement to respond to Decision SSXI/1, in particular its paragraph 9 towards ensuring that inputs from major groups and stakeholders are being fed into the IEG process. It is highly appreciated and I am persuaded of its valuable inputs into the discussions that we will have this week in Nairobi.

I am also pleased to inform you that the summary document you sent to us was received by the Consultative Group just in time for the meeting starting on Wednesday this week as an additional official document. I would like to thank you for your efforts and am looking forward to a vibrant discussion and additional inputs from the Consultative Group members.

I am also looking forward to receiving the list of members of the major groups and stakeholders Advisory Body on IEG and its Terms of Reference which I will share with the Consultative Group for their information.

UNEP will inform you on this week's meeting's outcomes through the meeting report.

Yours sincerely,

Achim Steiner
